

Swift Carrera 122 (2025)

The popular Carrera returns for the 2025 season. This stylish panel van range is powered with the FIAT series Euro 6D Final 140bhp 2.2 litre engine and comes with ESC and Eco packs as standard. Carrera is the ideal vehicle for everyday use and taking on adventures.

Step inside this vehicle to see a completely distinct look that's packed with features from stylish to functional. The Ultra Leather® Montage for the soft furnishing scheme offers a modern yet comfortable living experience whilst the Sangallo Elm woodgrain furniture provides an airy, relaxing feel, aided by the front sunroof that lets natural light pour in.

The front cab is equipped with everything needed for comfortable long journeys such as a new 10" touchscreen HD colour display with a new Sat Nav equipped with TomTom 3D map visualisation and selectable vehicle dimensions. When you've reached your destination, the driver and passenger captain chairs swivel round to provide additional lounge seating, perfect for all the family.

Carrera continues to impress with a unique style wet room featuring an Ecocamel Jetstorm showerhead for a powerful shower that uses less water,

as well as a Micro-Heki skylight. In Addition, the Whale water heating system will keep you warm all year round.

Perfect for couples and families, there are six Carrera models to choose from this season, all of which come with a mid-kitchen and washroom, four have a rear lounge that converts into a comfortable double bed while the 194 has fixed rear drop beds. All new this year is the 244 which has a pop top roof with a comfortable double bed.
