The 2026 Adria Compact Supreme DL redefines what a slim-fit motorhome can offer. Built on a Fiat base vehicle with automatic transmission and right-hand drive, this two-berth model combines stylish automotive design with the agility to reach destinations where larger motorhomes can't. Inside, the Compact Supreme DL makes the most of its clever layout with contemporary open-plan living spaces that feel bright and inviting. The fixed panoramic sun roof brings natural light flooding in, creating Adria's signature atrium-style living, while the comfortable dinette is available in either an L-shape or face-to-face layout, complete with a practical table extension for added versatility. At the rear, the fixed single beds provide a restful night's sleep, while throughout the interior you'll find organised storage solutions to keep everything in its place. Everyday comfort is assured thanks to Truma heating with adjustable temperature control, ensuring you travel...
