The 2027 Adria Coral Select 670 DL is a fantastic choice for couples looking for a modern, spacious and beautifully designed motorhome that is equally at home on a weekend away or touring Europe for weeks at a time. The new 2027 Coral has been given a fresh new look, with a cleaner, more contemporary exterior and Adria's distinctive new lighting design. Step inside and the difference is even more noticeable, with the bright, Scandinavian-inspired Select interior creating a wonderfully light and welcoming space. One of the real highlights is the Coral's panoramic roof, which brings an abundance of natural light into the lounge and gives the interior a lovely feeling of openness. For 2027, the panoramic windows can also be opened, allowing fresh air to flow through the motorhome and making it even more enjoyable on warm summer days. The 670 DL layout is particularly popular with couples thanks to its superb rear single-bed arrangement. The two fixed beds provide...
