The 2027 Adria Supertwin 600 SPB Pop Top takes the campervan experience to another level. Built for those who want to go further, explore more and enjoy the freedom of travelling without being tied to the beaten track, the Supertwin combines the rugged capability of a Mercedes-Benz Sprinter 4x4 with the comfort and sophistication you would expect from Adria. At just under six metres long, the 600 SPB remains wonderfully manageable on the road, yet its intelligent design makes it feel anything but compact. The powerful 190bhp Mercedes-Benz engine, automatic transmission and four-wheel drive give it an impressive sense of confidence, whether you're travelling through the mountains, heading off for a weekend in the countryside or simply enjoying a long European road trip. Inside, the Supertwin has a wonderfully premium feel. Adria has created a sophisticated living environment that combines robust, practical materials with a warm and contemporary design. The cabin-loft concept...
