The 2026 Adria Supertwin is built for your wilder side, daring you to dream bigger, live bolder, and embrace every journey. Designed for explorers, adrenaline seekers, and those who refuse to be limited by the tarmac, Supertwin is Adria's first campervan on the Mercedes-Benz Sprinter, offering All-Wheel Drive (AWD) with 4x4 capability to tackle rugged terrain, slippery roads, or steep inclines with confidence. Powered by a 2.0-litre diesel engine delivering 190hp and paired with a G-TRONIC 9-speed automatic gearbox, it combines precision engineering with enhanced safety features, advanced traction control, and a suite of driver aids, including Active Brake Assist, rear-view camera, and MBUX multimedia touchscreen for a smooth and rewarding driving experience on any surface. Available in two lengths, 5.93m (600 models) and 6.96m (700 models), and in striking exterior colours, Supertwin balances rugged capability with sophisticated style. The optional Pop-Top (PTR) models...
