The 2027 Adria Twin Select 640 SLB is a superb choice for anyone looking for the freedom and driving experience of a campervan, combined with the comfort and practicality needed for longer adventures. At just over 6.3 metres long, the 640 SLB is easy to live with on the road while still offering an impressively spacious interior. The latest-generation Fiat Ducato provides a comfortable driving environment, with automatic transmission making everything from motorway journeys to navigating smaller European towns wonderfully straightforward. Step inside and the new-generation Twin Select immediately feels bright, modern and welcoming. Adria's Scandinavian-inspired Select interior combines light wood finishes with clever design, creating a relaxed atmosphere that makes the van feel considerably more spacious than its compact dimensions might suggest. The rear longitudinal single beds are one of the real highlights of the 640 SLB. They provide two comfortable fixed sleeping...
