YEAR:

2017

The 2017 Auto-Sleeper Corinium Duo is a stylish 4-berth motorhome built for comfort and practicality. With just 11,000 miles, this low-mileage model offers a premium rear bathroom, front lounge with dinette conversion, and comfortable single beds. Powered by a manual transmission and equipped with cab air conditioning, cruise control, power steering, and parking sensors, the Corinium Duo is a pleasure to drive. Exterior highlights include alloy wheels, a pull-out awning with light, rear storage box, tow bar, solar panel, and a refillable gas system for convenience on the road. Inside, you'll find leather seating, living and cabin carpets, a fully equipped kitchen with oven, grill, microwave, hob, fridge-freezer, and a BBQ point. The integrated washroom provides a shower and cassette toilet, while swivel cab seats and a multifunction steering wheel add to everyday comfort. A reverse camera, DAB radio, TV holder, and plenty of power sockets complete the specification. At...
