Now available from our hire fleet, this well maintained and nicely presented Swift Edge 486 offers a great opportunity to own a luxury 6 berth motorhome with 6 belted seats combining ease, freedom and efficiency. The rear of the motorhome offers a lounge area which also converts into a spacious double bed, providing the perfect balance of relaxation. There is also a wardrobe to the back of the motorhome offering a good space for those adventures. The middle of the motorhome showcases a private washroom with a shower, toilet, and sink - perfect for those longer touring or weekend escapes. A well proportioned kitchen is also offered in the centre of the motorhome which includes excellent storage and workspace, making meal preparation on the road both convenient and enjoyable. Towards the front of the vehicle the bright and spacious lounge and dining area creates a welcoming living space and also easily converts into a double bed or one...
