New for 2026, Trekker brings the bold styling and adventurous spirit of our popular campervan range to a spacious motorhome format. Built on the trusted Ford chassis shared with the award-winning Voyager, Trekker offers confidence on the road with added room to roam. Designed for those who refuse to choose between style and practicality, its distinctive design is matched by a smart, adventure-ready interior - perfect for off-the-beaten-path escapes or everyday getaways. The 2026 Swift Trekker combines style, practicality, and modern tech for the ultimate adventure camper. Featuring a striking exterior graphics scheme with coordinated cab styling, a Ford Trail front bumper and wide body side mouldings, and a rear reversing camera, it's as bold as it is functional. Designed for off-grid travel, it includes a 120W solar panel with regulator, an external BBQ and cold water shower point, and a rear garage with lighting. Inside, enjoy modern comforts with Truma CombiNeo heating and...
