SLEEPS: 4 | YEAR: 2026

The 2026 Swift Trekker is built for those who want comfort, practicality, and style wherever the road takes them. Designed with adventure in mind, it features an elevating roof system, Duvalay Duvalite Alto mattresses, and a dedicated washroom with shower tray, ensuring every trip is as comfortable as it is convenient. Inside, you'll find Whale heating, ultra-low energy LED lighting, and plenty of USB points to keep everything powered. The kitchen is perfectly equipped for life on the move, with a Dometic two-burner stainless steel hob and sink with glass lids, a smart Appia laminate worktop, and a Dometic compressor fridge (50L as standard or an upgraded 70L double-hinged unit on Trekker X & XL). The Trekker X and XL models also include a built-in oven and grill, while clever design touches like worktop extensions and flexible dining tables make cooking and mealtimes effortless. On the road, the Trekker shines with Ford Sync 4, offering seamless connectivity via Apple...
