Introducing the all-new 2027 Swift Voyager 505 Automatic – a premium campervan designed for those who want the freedom of the open road, combined with the comfort, practicality and quality that Swift is renowned for. Compact enough to remain easy to drive and manoeuvre, yet cleverly designed to provide everything you need for comfortable touring, the Voyager 505 is an ideal choice for couples looking for a versatile campervan that can take them almost anywhere. This particular Voyager 505 benefits from the desirable automatic transmission upgrade, making longer journeys and everyday driving even more relaxed. Whether you're planning weekends away in the UK or heading across Europe, the Voyager 505 is ready for the adventure. Automatic Driving The Voyager 505 is powered by the Fiat Ducato 2.2-litre 140bhp engine, here paired with the optional 8-speed automatic gearbox. Smooth and effortless, the automatic transmission is particularly welcome when navigating...
