Introducing the all-new 2027 Swift Voyager 564 Automatic – a stylish and versatile campervan that combines the freedom of the open road with the comfort, practicality and quality you'd expect from Swift. Designed for couples who want to travel in comfort without stepping up to a larger motorhome, the Voyager 564 offers a superb balance of living space, touring capability and everyday usability. This particular example benefits from the desirable 8-speed automatic transmission upgrade, making every journey smoother, easier and more relaxed. Whether you're planning weekends away, touring the UK or heading across Europe, the Voyager 564 is ready for the adventure. Effortless Automatic Driving Powered by the Fiat Ducato 2.2-litre 140bhp engine, this Voyager 564 is equipped with the optional 8-speed automatic gearbox. The automatic transmission is ideal for both everyday driving and longer touring, taking the effort out of busy traffic and making motorway...
