Introducing the all-new 2027 Swift Voyager 574 Automatic – a stylish and versatile campervan designed for those who want to enjoy the freedom of touring without compromising on comfort or practicality. Combining Swift's renowned build quality with a contemporary interior, clever use of space and an excellent level of equipment, the Voyager 574 is perfectly suited to couples looking for a campervan capable of everything from spontaneous weekend escapes to extended European adventures. This particular example benefits from the desirable 8-speed automatic transmission upgrade, making every journey smoother, easier and more enjoyable. Effortless Automatic Driving At the heart of the Voyager 574 is the Fiat Ducato 2.2-litre 140bhp engine, paired with the optional 8-speed automatic gearbox. The smooth automatic transmission takes the effort out of driving, particularly in busy traffic and on longer journeys, while the Fiat Ducato provides a comfortable and commanding...
